JOHN C. SCHROER
COMMISSIONER

BILL HASLAM
GOVERNOR

TO: Will Reid, Assistant Chief Engineer of Operations

FROM: *RP* Ronnie Porter, Director, Program Development and Administration Division

SUBJECT: **Proprietary Item Request and Justification for Goodlettsville, TN for decorative street lights and banner arms.**

I, Ronnie Porter, Director of the Program Development and Administration Division, request approval for the City of Goodlettsville, TN to be certified to utilize the following proprietary item(s) over the next three years, where Federal funding is used:

Holophane Washington LED Light, 100W Type IV HPS Acorn Fixture; Item Number 10DMH12B4B6
Holophane Banner Arm and Bracket 2BBA32H/1/CO2(90)4-CA/BK

Justification

The City of Goodlettsville must coordinate installation and maintenance of the street lights on conference drive with fixtures approved through NES (Nashville Electric Service). These items are necessary for maintenance purposes and continuity purposes throughout the City of Goodlettsville.

If you have any questions or comments, please contact **Taylor Lee** at (615)532-3166 with the Local Programs Development Office or at Taylor.M.Lee@tn.gov.

I, Ronnie Porter, Program Development and Administration Division Director, of the Tennessee Department of Transportation, do hereby certify that in accordance with the requirements of 23 CFR 635.411(a) (2) that the patented or proprietary item(s) as listed above is essential for the synchronization with existing facilities or no equally suitable alternative exists for this patented or proprietary item as listed above.

RE: PIN 120327.00 Conference Drive Enhancements
City of Goodlettsville - Proprietary Items request for Federally Funded Projects.

Dear Mr. Reid:

The City of Goodlettsville is requesting proprietary item product certification of the following products. These items will be used on streetscape projects with Federal and/or State funds over the next three years. Below are the items requested for TDOT approval and certification:

1. Holophane Washington LED Decorative Street lighting – 100W Type IV HPS Acorn Fixture; Item Number 10DMH12B4B6
2. Holophane Banner Arm and Bracket – 2BBA32H/1/CO2(90)4-CA/BK

The City of Goodlettsville must coordinate installation and maintenance of the street lights on conference drive with fixtures approved through NES (Nashville Electric Service). These items are necessary for maintenance purposes and continuity purposes throughout the City of Goodlettsville.

Thank you for considering these requests to better serve the public with increase safety and efficiency through normal operations and maintenance activities. If you have any questions, feel free to contact me at 615.851.2211.

Sincerely,

Tim Ellis
City Manager
City of Goodlettsville, TN

Taylor,

The letter has been revised so that it now is addressed to Will Reid and is attached to this email. The light that is referenced in the Proprietary Request Form is a brand and style that is pre-approved with Nashville Electric Service (NES). The attached sheet is directly from the most up to date NES Street Lighting Guidelines which shows which lights are pre-approved for use by NES.

The proposed light has not been installed in the City of Goodlettsville at this point, but will be installed as a part of the improvements to Main Street. It is the city's intention that the light will become a standard to be used as future street lights to keep a consistent style throughout the city.

Please let me know if you have any other comments or questions.

Sincerely,

David Hendrickson

Good Morning,

After reviewing the letter and proprietary item request I have a few comments.

1. Please address the letter to Will Reid, Chuck Rychen has retired.
